

Christmas cookies

**christmas cookies when you
jump out of bed and
you see the chocolate chip**

**cookies rising in the oven
and when they come out
of the oven my mouth
starts to get watery and drippy
i crunched that cookie down**

**my throat like as it was a waterfall
falling into my mouth and i taste
the creamy and crunchy cookies
melted in my mouth i crunched that
cookie like a red powered bull doser
christmas cookies are so good**

Basketball first game

Its my first game and I am ready
for the count five four three
two one,

BEEP!

the buzzer beater tip off
my heart is pounding
my friend trent said
get the ball i did
and i took that
rebound like
a bulldog
and finally
I made
that
shot
i won
first basketball game

Doritos

Doritos are so good to eat
there so crunchy that taste
flaming fire that burns
on your tongue nacho
cheese tastes so good

,

the zipping fire is like
a zip line going down my
throat if you do not like
those flaming doritos
your fake and not
real so get a life
